

11th grade Counseling Advisement

Junior advisement meetings will take place February 5th through March 1st, 2018. All meetings will begin in a small group format and then students and parents will sit with a counselor to discuss individual information, as needed. During each meeting juniors will review their Individual Graduation Plans, remaining credits required towards graduation as well as information about post-secondary options and the college application process.

Junior advisement meetings are scheduled by student's homeroom and the schedule is available below. Student attendance is mandatory and counselors will call students out of class.

Students will attend a morning or afternoon session lasting 30-40 minutes and will be excused from class by the counseling department. Parents who would like to participate in their student's advisement meeting can confirm their attendance by registering at <http://signup.com/go/LODMhzm>.

Parents must sign up for the date/time that has been assigned to your student.

Parents will receive a reminder email the day before their students scheduled junior advisement meeting.
