TASKS/ ASSIGNMENT: COMMUNICATIVE ARTS

Consider a piece of literature; poem, play, novel, short story, memoir. Discuss how that particular piece of literature definitively influenced you. Discuss the specific element(s) of the piece of literature that had an effect on you, and discuss what elements of your behavior or thinking you have consciously altered as a result of that piece of literature. First and Second Points of View are not only acceptable but appropriate. 500 word maximum.

TASKS/ ASSIGNMENT: MATHEMATICS

1. What is an interesting topic you have studied recently in mathematics either in class or outside of class? Why does this topic interest you?
2. What are your interests in mathematics outside of your regular math class and assignments?
3. Describe a difficult math problem you have encountered within the last year. How long did you spend working on it? What approaches did you use to solve or attempt to solve the problem.

TASKS/ ASSIGNMENT: SCIENCE

Submit a short essay discussing a recent discovery or idea in science that you find fascinating. Include why it intrigues you. You may choose a topic as general as a whole discipline or as specific as a particular phenomenon, challenge, or innovation. (500 words or less)

TASKS/ ASSIGNMENT: SOCIAL STUDIES

Submit a short essay discussing the following: Following the 2016 American election the United States now has a new President-elect and Congress. Identify and assess the most significant problems in both domestic and foreign policy facing the newly elected UUS government, and suggest possible approaches of the new Administration to dealing with or solving one problem in both categories. (500 words or less)

TASKS/ ASSIGNMENT: WORLD LANGUAGES

Spanish: Submit a short essay written in Spanish. Address the following questions in your response: What historic or cultural aspect(s) of the language have you enjoyed learning about or would like to learn about? How do you think your experience at GHP might help you with (your education and) expanding your language skills in the future? (500 words or less)

German: How does the German language and culture influence you and your everyday life? How do you plan to use German in your future career and how might GHP support these goals? (500 words or less)

French: Submit a short essay written in French. Address the following questions in your response: What historic or cultural aspect(s) of the language have you enjoyed learning about or would like to learn about? How might GHP help you use the language in the future? (500 words or less)

Latin: Please follow the directions in response to each prompt:

1. Choose what you consider to be the Romans' greatest contribution to modern society and the reason(s) it is so important (short answer in English).
2. Imagine that you are writing a travel guide for a time traveler to the Ancient Roman world, and you need to write an introduction which highlights TWO sites that are essential for any visitor. What two sites would you write about and why? (answer in English)

N.B., The entire Roman world is eligible, not just the city of Rome itself.

Chinese: Submit a short essay written in Mandarin Chinese characters. Address the following questions in your response: What historic or cultural aspect(s) of the language have you enjoyed learning about or would like to learn about? How might GHP help you use the language in the future? (500 words or less)
