What should I look for on my schedule?

When you receive your schedule, review your classes and make sure that you have everything that you need. Every student should make sure that he/she has one of each of the following courses: Math, Science, English, and Social Studies

Why is there a Day 1 and a Day 2?

Some classes meet every day (day 1 and day 2) while others meet every other day (either only on day 1 or only on day 2).

What if I find a mistake on my schedule?

Possible mistakes:

- I have a class on my schedule that I have already taken AND I passed it
- I am missing a class or classes
- I am missing something required for graduation
- I have a class listed but I haven't taken the prerequisite class required prior to taking this class (for example, I have a Photography Class listed but I never took the prerequisite VA Comprehensive course OR I have Advanced Marketing listed but I never took Intro to Marketing/Marketing Principles)

If you find errors in your schedule, please follow the instructions below:

1. On the tentative schedule that you received, please write the reason for the change at the bottom of the page.
2. Please indicate the class(es) that you are requesting to drop and the class(es) that you are requesting to add. Keep in mind that all electives are at or near capacity. If you are requesting an elective change, please realize that the change might not be possible.
3. Include a daytime phone number where you can be reached this summer.
4. Turn in the schedule change to the front office at your local school. A Kell representative will be picking them up from our feeder middle schools. If you currently go to school at Kell, turn it into the Kell front office

No schedule changes will be made once the 2017-18 school year begins-so make sure that you request your changes now. **All schedule changes are due by Wednesday, May 24 at 9:00 am.**
